Major General Joseph D. Caldara, USAF (Ret.)
Flight Safety Foundation, Inc.
1320 Wilson Boulevard
Arlington, Virginia, 22209

Dear General Caldara:

Your letter of 8 April 1969 to Mr. Helms has been referred to me for reply.

We have reviewed the objectives and the implementation plans for a National Technical Safety Information Center as proposed by the Flight Safety Foundation and believe that it is a very worthy undertaking. We do not believe, however, that it is applicable to the responsibilities and authorities of this Agency. We are, therefore, unable to become a sponsor.

We wish you and the National Technical Safety Information Center every success.

Sincerely,

SIGNED R. L. Bannerman
